SPRING CREEK STABLES LESSON POLICIES

Welcome to Spring Creek Stables. At SCS, we strive to teach horsemanship, not just riding, and are able to teach a variety of disciplines at many skill levels. We have experienced instructors and quality lesson horses and equipment. The art of riding takes years of practice and dedication and a regular riding lesson schedule is the first step in the process. Our instructors' and horses' time is valuable, and so is yours, so adherence to our lesson policy is intended to benefit both parties. Parents are encouraged to be involved in with their children's lessons and are free to ask questions and watch and help with grooming and tacking. During the riding portion of the lesson, parents are free to observe and take pictures, however, parents presenting a distraction or a disruption of the lesson will be asked to watch quietly from a distance.

Lessons must be cancelled by contacting your instructor directly. If you are unable to contact your instructor, please contact the stables at 210-784-0051 and be sure to leave a voicemail or text if necessary.

Prior to 24 hours before a scheduled lesson, students are free to cancel or reschedule lessons depending on availability for any reason.

Lessons cancelled less than 24 hours before the scheduled time will be charged at FULL PRICE. The following reasons may allow for rescheduling, at the discretion of your instructor and depending on availability:

- The student is sick or injured
- There is a family emergency
- There is trouble with transportation (flat tire or mechanical issue)

No show: Failure to show for a scheduled lesson without contact with your instructor will result in forfeiture of a prepaid lesson, a full price charge for the missed lesson at the next lesson, and/or require that all subsequent lesson reservations be made with a non-refundable deposit for the full cost of the lesson. No shows may also be subject to additional fees to cover lost wages to the instructor.

Unused Lessons: Prepaid lessons that are not used due to weather conditions or cancellations made according to policy, remain with the student until they are able to be fulfilled. Unused lessons that are still remaining after 90 days without consent of the instructor or director shall be forfeited.

Running Late: If you are running more than 10 minutes late, please call or text your instructor to verify that she can still accommodate your lesson. Arriving late may result in a shortened lesson at full price.

Weather: Spring Creek Stables will make the decision to cancel lessons due to weather or arena conditions. You will be notified if the lesson is cancelled. If you are unsure, please call or text your instructor to verify the lesson is still taking place.

Attire: Long pants and closed toe shoes or boots with a sturdy heel are required.

Your instructor may deny you or your child a lesson if not in suitable pants or footwear. Minimize jewelry and accessories, and please dress appropriately for the weather. Helmets are recommended for all students, and they are required for any rider under the age of 18, and anyone jumping. SCS recommends all continuing riders purchase their own helmets, and any helmet provided by the rider must be ASTM/SEI certified and specifically for horseback riding.
